Landschaftsinformationssystem LANIS des Ministeriums für Umwelt und Forsten RLP

http://map1.naturschutz.rlp.de/mapserver_lanis/

Ebene **Naturschutzgebiete und -objekte**, Unterebene **NTP (Naturparke)**

The screenshot displays the NETGIS Mapserver-Client interface within a Windows Internet Explorer browser window. The browser's address bar shows the URL http://map1.naturschutz.rlp.de/mapserver_lanis/. The interface features the logo of Rheinland-Pfalz and the LANIS (Landschaftsinformationssystem) title. A toolbar at the top includes navigation and map control icons, a scale bar set to 2155849, and a Google Maps button. On the left side, there is a sidebar for map management with options like 'Hintergrundkarte wählen' (Topografische Karte grau) and 'Modul wählen'. Below this is the 'Ebenensteuerung' (Layer Control) section, which lists various map layers such as 'Grenzen/Geobasisdaten', 'Landschaftsplanung', 'Schutzgebiete und -objekte' (containing NSG, LSG, NTP, ND, LB), 'Natura 2000 Gebiete', 'Biotopkataster', 'Landschaftserleben', 'Artendaten', and 'Flächen für Naturschutzmaßnahmen'. The main map area shows a topographic map of Rheinland-Pfalz with several layers overlaid. A scale bar at the bottom indicates a scale of 0 to 112 km. The browser's taskbar at the bottom shows the Start button, several open applications, and the system clock displaying 15:23.
